Hampton by Hilton Adds 16 Hotels to Portfolio

BY HOTEL BUSINESS ON DECEMBER 19, 2017 BRANDS

MCLEAN, VA—Hampton by Hilton will ring in the New Year with the addition of 16 new hotels that opened in November and December.

Joining a portfolio of more than 2,300 properties globally, the new locations include Hampton Inn & Suites by Hilton West Melbourne-Palm Bay Road in Melbourne, FL, located in the heart of Florida's Space Coast; Hampton Inn & Suites by Hilton Leavenworth, situated in the Cascade Mountains in the state of Washington; and Hampton Inn & Suites by Hilton San Antonio Lackland AFB SeaWorld. The property is a short drive away from one of Texas' most famous tourist attractions, The Alamo. In addition, suites provide extra space and amenities including a wet bar area with a microwave and mini fridge, and living area complete with a sofa bed.

“Hampton by Hilton strengthened its position in the upper-midscale segment this year, as the brand deepened its commitment to growth, innovation and thoughtful service,” said Shruti Gandhi Buckley, global head, Hampton by Hilton.

Hampton by Hilton added the following U.S. properties:

- Northeast Region: Hampton Inn & Suites by Hilton Baltimore/Aberdeen and Hampton Inn & Suites by Hilton Warrington (PA)
- Southern Region: Hampton Inn & Suites by Hilton Franklin Berry Farms (TN)

- Midwest Region: Hampton Inn by Hilton Livonia Detroit; Hampton Inn & Suites by Hilton Pryor (OK); Hampton Inn & Suites by Hilton Menomonie-UW Stout (WI); Hampton Inn by Hilton Vincennes (IN); and Hampton Inn & Suites by Hilton St. Paul Oakdale/Woodbury (MN)
- West Coast Region: Hampton Inn by Hilton Long Beach Airport (CA)

Additionally, the brand expanded its global presence with the following new openings: Hampton by Hilton Rome East, the first Hampton by Hilton hotel in Italy; Hampton by Hilton Santo Domingo Airport in the Dominican Republic; and Hampton by Hilton Changsha Liuyang and Hampton by Hilton Changsha Xingsha in China. Looking into 2018 and beyond, Hampton by Hilton has more than 530 properties in the pipeline.
